

# Etching Press For Sale

It has 5" solid steel rollers, great bearings as you can see in the bearing blocks and a 24" x 48" x 1 1/8" phenolic resin press bed and effective roller skate guides in red. In great condition. Build by Henry Nizio in the early '90's. OCAD has one, too. **Press : \$5,000**

2 - 18" x 4" ink rollers from Graphic Chemical one soft, the other medium. Like new, rarely used. **Rollers: \$300 each**
